

An awe-inspiring world...

Wedding Package

Ayada Weddings

"Once in awhile, right in the middle of an ordinary life, love gives us a fairy tale."

Because your wedding day should be the most beautiful and happiest day of your life, we proudly present our selection of wedding ceremonies. All ceremonies are conducted in English (with an interpreter if needed) and it's our great pleasure to work with you to craft the perfect day of your dreams.

For a special touch, may we recommend a sunset cruise on our traditional wooden sailing boat? Or, if you'd like to add something truly exclusive, how about crossing the equator on your wedding day?
